

# CONGRATULATIONS ON THE DEMOCRATIC PARTY OF JAPAN

The Landslide victory of the Democratic Party of Japan on 30th August 2009 general election in Japan is a historical landmark. We the Chin National Community-Japan (CNC-Japan) would like to express our heartfelt congratulations to the President Honorable Yukio Hatoyama and the Democratic Party of Japan members. We hope that the new Prime Minister would continue to support our leader Daw Aung San Su Kyi and the Union of Burma for democracy, freedom and peace.
